UNITED WE STAND

WITH PARAIC COLLINS

We are back at Eamonn Deacy Park for tonight's Airtricity League of Ireland First Division clash with Bray Wanderers. A very warm welcome to the Seagulls players, staff, and fans that made the long journey westward.

The City of the Tribes is currently basking in that familiar late-July feel-good atmosphere coming off the back of yet another successful Arts Festival with the highly anticipated Galway Races just around the corner. The city, its people, and the tourists rarely stop to catch a breather during peak season, though we can't help but wish for some better weather, right?

In footballing terms, the city and county are also on a high after last weekend's outstanding Avenir All-Island Cup final win over Cliftonville by our women's team. Gemma McGuinness scored the only goal and put in a star performance in a game that saw huge support from Galwegians both native and adopted alike.

It sounds obvious but all of us here at Maroon View have decided to dedicate this week's program to the cup winners. Please enjoy all the images and the pull-out poster!

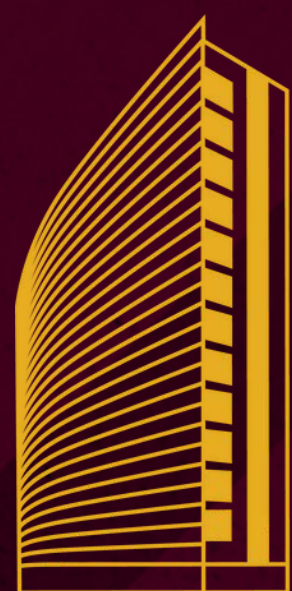

It's astonishing to think the team was formed just 13 months ago, and it hasn't even been a year since their first game. It is a remarkable achievement to win a cup in a country where traditional footballing strongholds lie in Dublin.

Here's to more wins and silverware for the women's team and let's hope the men's team follows suit by claiming the league title, to keep the positivity flowing down by the Corrib.

As always come on United!

CAPTAIN'S LOG

WITH CONOR McCORMACK

A promising win in the FAI Cup last in the FAI Cup last

We're happy with the result last Saturday in the cup v Bangor Celtic. We didn't get off to the best start after a freak goal but we responded really well. We created lots of chances and the guys up front got back to scoring. It was a good run out for some of the team to get match fitness and we're delighted to get our name in the hat for the next round.

How have the guys prepared for Bray Wanderers tonight?

Bray is our next opponent at Eamonn Deacy Park and we're really looking forward to the game. We know The Seagulls have a good team with some really dangerous players. They've had a decent season so far and we will have to be at our best again on Friday night. They will be out to get revenge on us from our last home game against them. Every team will up their game playing us to try to knock us off our perch so we've to be fully prepared for them. Training has been really good and we're ready.

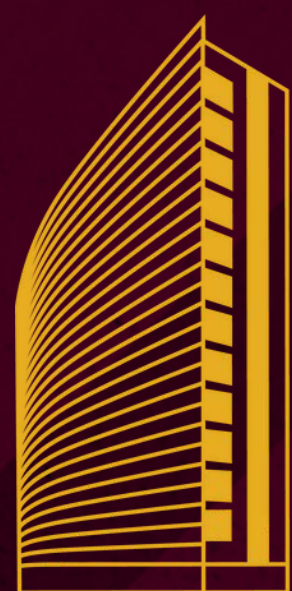

The fans have played a massive part this season and we will need them with us until the end of the season as every game is going to be a battle.

Brilliant result for the Galway United women's team last Sunday, can the men's team follow suit with some silverware this season?

We would like to congratulate the women's team on their magnificent achievement in winning the All-Island Cup. A couple of us players travelled up to Sligo to show our support and we were delighted with their performance. We're very hopeful that we can bring some silverware to the club this season too but for now, we will just concentrate on the next game.

FROM THE DUGOUT

WITH JOHN CAULFIELD

This is another important SSE Airtricity League First Division encounter at Eamonn Deacy Park.

Welcome to Ian Ryan, Bray Wanderers officials, players and supporters. Every game from now on is really like a cup final because all of the teams that you are playing are looking to attain play-off places.

Ian has taken over Bray this year, they have invested well, he has a very strong team. Recently they have brought a lot of new players in. You can see it is going to be very tough in the play-offs, the fact that outside of Kerry every other team believes they can get into the play-offs.

We know that the games are much tighter now, as we experienced in Athlone. We held our composure and our heads to get a fantastic winner. So we are looking forward to the game after the victory in the cup last weekend against Bangor Celtic.

We had watched Bangor so we knew about them, but it was all about us making sure we played at a high intensity. We did that really well. Despite the fact Bangor scored in the first minute, we bounced straight back to create lots of chances.

The most important thing, particularly for the new signings, Aodh Dervin and Wassim Aouachria, to get their first starts, that was important. Darren Clarke is coming back from injury, Ronan Manning got 75 minutes.

FROM THE DUGOUT

WITH JOHN CAULFIELD

Brian Cunningham made his debut, a young guy we have seen in the Academy do really well, we are hoping that in the next number of years that he will progress into the first team. David Tarmey was missing for most of the year due to the Leaving Cert, but it was good to get him back on the pitch.

It was absolutely fantastic for the club to win the Avenir Sports Cup at the Showgrounds last Sunday. Great credit must go to Phil Trill and all of the people involved on the women's side. Everyone is under the Galway United umbrella, which is the way it should be.

From a club point of view, we are looking to move forward, to bring success to the club. It was great that the girls in their first season won silverware, it is a unique achievement.

In Sligo it was a lovely occasion, to see the people that follow the men's team at the game, that was brilliant. Hopefully, the men can now bring some success too.

Enjoy the game.

WOODQUAY WANDERER

WITH BERNIE O'CONNELL

Comhgairdeas ó chroí le foireann sacar na mban againn a bhuaigh Corn Avenir i Sligeach ar an Domhnach. Éacht iontach ó na cailíní sa chéad bhliain ag an gclub a bheith ag iomaíocht i gcluiche na mban. Tá moladh iontach ag dul do Phil Trill agus a fhoireann a thug an Corn go Gaillimh.

Is árdú meanmain an bua seo dóibh siúd uilig a ghlacann páirt sa gcluiche timpeall an condae. Is luach saothar iontach é don fhoireann féin, an club agus an coiste stiúrtha a thóg cúram na mban orthu féin i mbliana. Tá creidiúint aisteach ag dul dóibh siúd uilig.

Lá speisialta i stair an chumainn ab ea an 23ú Iúil. S'éen teistiméireacht is fearr a d'fhéadfadh teacht as ná go spreagfaidh sé tuilleadh leantóirí le freastal ar na cluichí anois acu. Lá mór do na cailíní, lá mór don chlub agus fíor spreagadh dóibh siúd uilig a imríonn i sraitheanna na gcailíní anseo.

T'éis don dhá fhoireann teacht slán ón gcéad dreas sa Chorn fáiltíonn Gaillimh Aontaithe roimh Fáinnithe Bré tráthnóna. Is deacair i gcónaí le Bré breithiúnas a thabhairt faoin gcumas acu ach d'fhoghlaim sa gcluiche deireanach eadrainn go bhfuil siad ag teacht chucu féin. Ní hiontas le himreoirí mar Dave Webster, Chris Lyons, Dane Massey Ben Feeney agus Cole Omorehiomean ar fáil acu.

Tríd na mblianta is beag a bhí idir na clubanna agus ómós ag leantóirí freastal ag cluichí as baile lena gcéile comhraic. Bhí cluichí den scoth idir na clubanna ariamh agus cé go bhfuil feachtas na Gaillimhe ag dul go maith bheadh easpa céille ag éinne a cheapfadh go mbeidh tada éasca ag foireann John Caulfield anseo.

Cluiche suimiúil a bhí againn sa gCorn. Bhí cumas i bhfoireann Bangor Celtic. Iad láidir, fisiciciúil ach breá ábalta imirt. Ní raibh mórán dochar sa deireadh gur baineadh craitheadh maith asainn leis an gcúl luath acu.

Ba bhreá an rud Stephen Walshe a fheiceáil ag fáil péire agus Aodh Dervin, Luke O Connor agus Wassem a fheiceáil ag fáil deis imeartha. Ba deas David Tarmey a fheiceáil arís agus Brian Cunningham Áth Cinn ag fáil seans. Déagóirí cumasacha.

Cluiche amháin ag an am an manna atá ag John Caulfield agus tá iomlán an chirt aige leis an bpolasaí sin. Thug sé fíor léargas do leantóirí sa gConnacht an tseachtain seo caite agus thaitin an C agus F go mór leo siúd ar fad a bhí i láthair. Bhí suas le leath chéad a d'fhreastal ag ócáid taitneamhach eagraithe ag an gComharcumann.

Bhí John Caulfield agus Ollie Horgan an-oscailte lena gcuid tuairimí agus fuair an lucht éisteachta an- léargas ar an réiteach laethúil a bhaineann le na rólanna acu. Bua mór dúinn taithí na mblianta ag an mbeirt. Le Cúnamh Dé seasfaidh sé go mór linn.

Creidiúnt leis don chaint ag Dave Hurley as an gcur síos aige ar shaol imreoirí. Cainteoir ábalta a chuaigh i bhfeidhm ar an lucht éisteachta. Is maith liom freisean go raibh go leor don ghrúpa bainistíochta i láthair.

I measc an tslua ag an gcluiche sa Chorn bhí leantóir as Boston David Snow a thaistil anall do chluichí an deireadh seachtaine. Is iontach dílis an fear é. Tá cur amach aisteach aige ar an bhfoireann agus an club agus dílseacht dá réir. Ardú meanmain dúinn uilig é a fheiceáil ar ais i gCathair na dTreabh. Nuair a labhrann daoine ar Shraith na hÉireann b'fhiú go mór dóibh an chluiche a fheiceáil tré shúile Dave. Go mba fada buan é!

RUB OF THE GREEN

MORGAN O'BRIEN

The Night of October 11th 2022 will forever remain a keystone in Ireland's proud footballing history. A moment in time, whose ripples are growing stronger and travelling wider than anyone could have ever imagined.

As Amber Barrett's 'International Goal of the Year' as voted for by the Soccer Writers' Association of Ireland, slithered deftly across the Scottish line, Ireland's place in the FIFA Women's World Cup Australia & New Zealand 2023 was cemented.

There's possibly a little-known fact about Galway United's current green away kit, designed by the club with technical sponsors O'Neills Sports. The shades of 'Athenry Green' and the shamrock motif emblazoned on the nape of the neck, were directly inspired by that moment. A way for Galway United fans, young and old to seamlessly fly their colours for club and country in 2023.

While it was clear to us all 2023 would be a memorable one for the Women's game, we could have never dreamed what the 'rub of the green' truly had in store closer to shore.

Since the Autumn of 2022 there has been a tidal wave of support for the International women's game. Long overdue, it feels the immense dedication and technical prowess of the women's sport is finally getting the recognition it deserves from fans and the media alike. The mantra #Outbelieve defines this momentous journey for the Irish Women's National team.

Coinciding with this wave, Galway United launched their first-ever Women's team. Under the impassioned leadership of Phil Trill. The team have surpassed all hopes in their inaugural season.

Winning the immediate respect and love of the United fan base, Phil's side has grown from strength to strength and was more than deserving of their place in the inaugural Avenir Sports All-Island Cup Final Sunday last in Sligo.

As Galway United, lined out once again in green and gold, a shirt whose very inception stems from that now infamous Amber Barrett goal. It was immediately clear there was to be only one voice in The Showgrounds on the day. Only one team were truly destined to take home the trophy.

The travelling Maroon Army shook the Stand F rafters to their foundations and fuelled by this swell of support, United's female heroes led by Lynsey McKey dispensed the Cliftonville challenge with as clinical and rousing a performance as ever seen in a Galway shirt.

Gemma McGuinnesses' defence-shattering and tactically brilliant goal in the 11th minute was the defining moment that sealed Galway United's first senior trophy in 25 years.

It was an honour to be standing on the terrace, my son proudly by my side, cheering on this simply brilliant Galway team.

While Ireland's 'Girls in Green' are at this very moment proudly representing us in New Zealand and Australia. Closer to home we now have our very own 'Heroes in Green.'

Jessica Berlin, Aoibheann Costello, Isabella Beletic, Jamie Erickson, Jenna Slattery, Kate Thompson, Lynsey McKey, Jodie Griffin, Gemma McGuinness, Nicole McNamara, Therese Kinnevey, Eve Dossen, Aislinn Meany, Rola Olusola and the rest of the team...

A truly historic inaugural season for the ladies' team and an emphatic reminder that forevermore Galway is 'United as One'.

THE TREATMENT TABLE

What are Shin Splints?

Shin splints is pain that affects the shin bone (Tibia) because of repetitive activities.

Any one can develop shin splints, but it usually occurs in those who have recently started a new activity or increased their training loads.

You might also be at risk if you have arch problems so a biomechanical assessment by a Physiotherapist might be of benefit.

Shin splints can often be treated with some hands **Deep tissue massage** and **Dry needling** to reduce muscle tension. Rest and a proper rehab program as well as monitoring your load are huge parts of your rehabilitation.

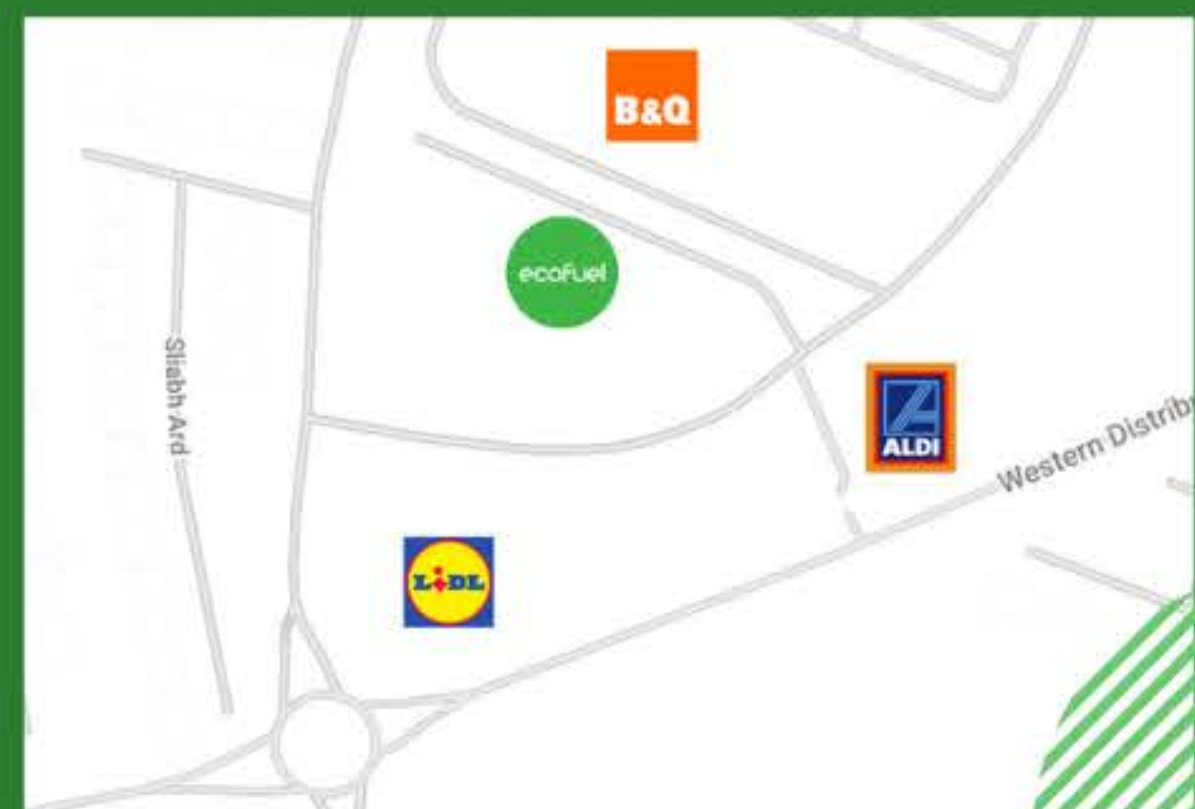

A physio can easily treat your shin pain with the right protocol but don't leave it too long before seeking advice because you may develop some long-term damage.
